We guarantee this dog/puppy, to be in good health, to the best of our and our Vets knowledge, at the time of sale/adoption, and have had temporary required inoculations against known illnesses. We also guarantee our puppies to be free of congenital life threatening defects for 1 year (2 years if you use NuVet)

The customer has 2 days in which to take said animal to a licensed veterinarian. The customer is strongly urged to do this. We have them seen by our vet by 7 weeks to verify complete health on our side.

If the veterinarian finds anything seriously wrong with the animal, it will be exchanged for another puppy or dog of equal value of the customer's choice at once, or when one is available, providing a letter from the examining veterinarian is offered as evidence of animals illness and the animal is returned within the guaranteed time as stated above (2 days).

It is understood that there is no other warranty made other than what has been stated above. In case of the death of this animal, an autopsy must be arranged for by the buyer and the findings submitted to Seller before any arrangements or exchange will be considered.

The seller also assumes no responsibility for the buyer changing their minds for whatever reason once the Puppy/Dog or is in their possession (Coat Color, Coat Type, Markings, Size, and so on.)Due to photos and Visits when possible there is no reason for misunderstandings in this area. We cannot guarantee a specific adult color or size. Mother nature has everything to do with the adult appearance. Temperament and conformation are most important to us when making breeding decisions...

If you do not understand this in anyway please ask. We only offer exchanges we will not refund money if this is not agreed upon the sale will be canceled.
